Mandy Wilton- Head Teacher

Date: 20th March 2020

Dear Parent/Guardian

I am writing to confirm and reiterate that Cranbury College is closed for all students unless they have a social worker, an EHCP or you are a keyworker as defined by the government.

The majority of our students are currently accessing online learning or have been delivered work packs for the next two weeks.

We cannot emphasise enough how important it is to limit contact to keep the virus at bay. Therefore, we would urge you, that if at all possible, we work together to ensure the safety and health of all our community, by keeping children at home.

Yours faithfully

Mandy Wilton
Headteacher
