

**MEMBER STATEMENT****Debbie Owen-Mann**

During my time at Cranbury I have had the opportunity to take part in the appointment of the last two head teachers at Cranbury. As part of that process I was involved with the student's input of the recruitment process alongside a member of staff. Their comments were then fed to the management group. I also sat on the short listing panel and interview panels

I also sit on the Finance, Pay and Staff Committee monitoring the budget to ensure that we use the finances to achieve the best outcomes for the students. This requires some challenging discussions and decisions with an ever decreasing budget to ensure we offer value for money.

I support the current Chair in my role as role joint Vice Chair which I share with Lucy Sayce-Browne.

I have also been involved with the performance management process for the headteacher together with the local authority SPA and Chair of Cranbury Management Committee

In my day job I jointly manage Central Berkshire Education Business Partnership a local charity that provides services to help raise awareness of the workplace, careers and employability skills of young people..
